## WORK EXPERIENCE

### SENIOR MOBILE APP DEVELOPER

#### goodBot

03/2023 - Present

Freiburg, DE

##### Achievements/Tasks

- Spearheaded the development of a fully automated, end-to-end service, utilizing Python, AWS, and Flutter, resulting in a 100% reduction in manual app updates.
- Effectively delegated tasks to junior team members, achieving a streamlined workflow and a 20% increase in task completion efficiency.
- Executed day-to-day tasks encompassing Flutter, AWS, Firebase services, and analytical tools. Conducted thorough code reviews and proficiently employed version control tools.

### SENIOR MOBILE APP DEVELOPER

#### Myghar

10/2020 - 02/2022

Karachi, PK

##### Achievements/Tasks

- A successful launch of 3 apps for iOS and android on Play Store and App store within few initial months.
- Directed a small team of 5 software developers, orchestrating task assignments in weekly sprints to consistently achieve sprint deadlines.
- Championed the development of numerous products from inception to completion, leveraging end-to-end project management expertise.
- Collaborated closely with the company's Co-Founder to translate requirements into fully functional products.

### ASSOCIATE MOBILE APPLICATION DEVELOPER

#### Celeritas Solutions

09/2018 - 09/2020

Karachi, PK

##### Achievements/Tasks

- Responsible to design and build advanced applications for the Android platform from scratch and maintaining existing android applications.
- Successfully Delivered a crucial project written in React Native in which I was not having expertise and that project resulted in 2 more support projects from the same client.
- Collaborated closely with the Java backend team, ensuring effective cross-functional coordination.

## EDUCATION

### BS in Computer science

#### Federal Urdu University

04/2014 - 04/2018

Karachi, Pakistan
